~Livestock Auction Buyer Hospitality~

This is a great chance to mingle and promote your business.

~ Dairy Bonus~

Started in the 1980's the dairy bonus was started to provide incentive to the dairy exhibitors since their projects are not part of the auction experience. A cash bonus is given to the supreme champion heifer and cow and to the honorable mentions. The remaining money is divided among all junior dairy animals shown and the exhibitor is awarded a stipend per animal.

~Herdsmanship~

For many the local fair is the only time that they are up close to farm animals. The herdsmanship awards are awarded to clubs who provide the best display of animals. This is done by keeping the exhibit clean, having an area that is inviting to all fair attendees and being open to answer questions about the exhibit. The area is judged during the entire fair and awards are presented Sunday afternoon.

~Dairy Breakfast~

Sunday morning tradition, Help promote the dairy industry. Enjoy the leisurely pace as you mingle with neighbors. The Elroy Fair could also use supplies for the breakfast.
For questions regarding the dairy breakfast and supplies please contact Shelly at 608-792-3036 or shellydaugs@gmail.com
